

Nursery Buddies

World of Fun Learning

 This series consists of Nursery Buddies English, Nursery Buddies Maths and Nursery Buddies Science. Each subject comes with two main books and two activity books.

 The two main books of each subject provide attractive stickers for more fun.

 Nursery Buddies series helps stimulate interest in learning and build 21st century skills.

 The books of this series also help develop Higher Order Thinking Skills (HOTS).

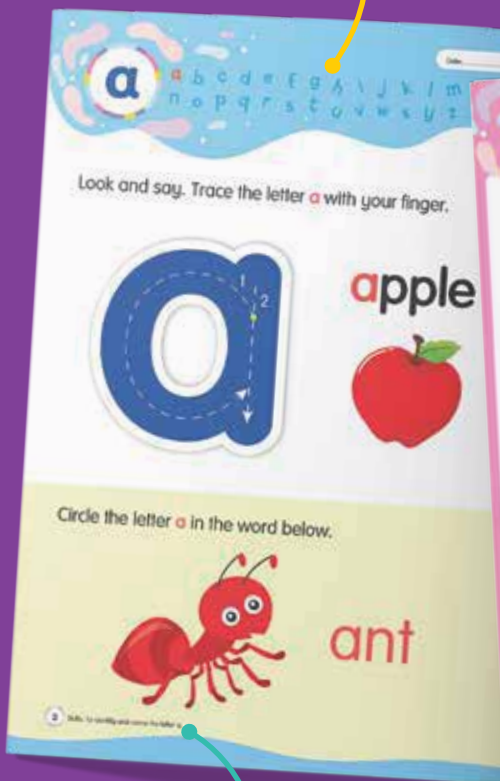

Higher Order Thinking Skills (HOTS) are thought processes that go beyond memorisation of facts. They require more complicated thought processes.

Nursery Buddies

For English, a to z letters are clearly categorised.

For Maths and Science, contents are arranged based on themes related to children's daily life.

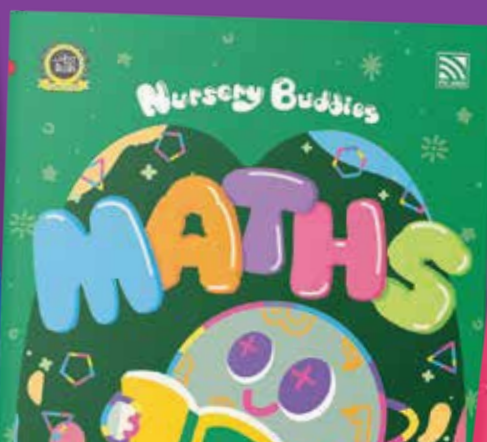

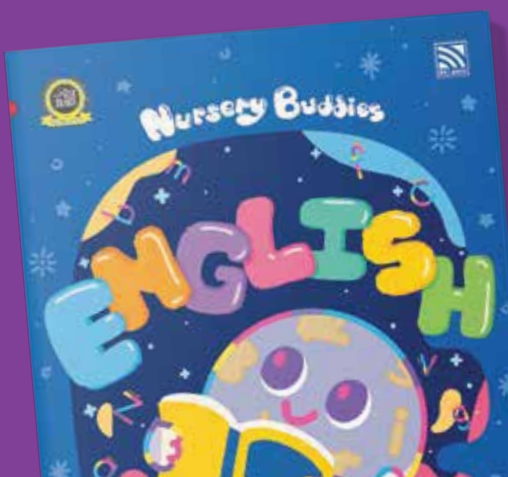

Skills are provided to ease teaching and learning experience.

Revision activities help children reinforce the concepts learnt.

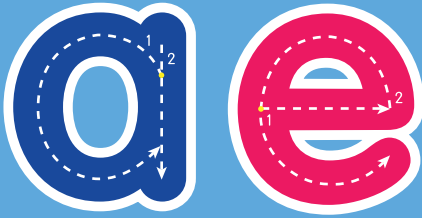

HOTS questions

Nursery Buddies

ENGLISH

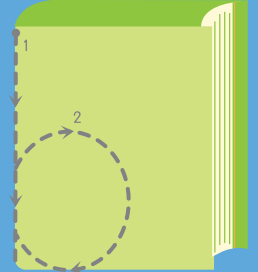

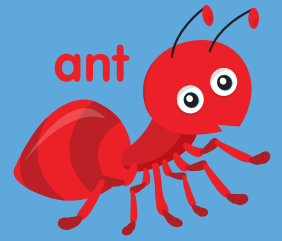

Encourages children to recognise the lower-case letters and learn simple words.

★ Clear letters with tracing lines

★ Contents are divided into two books which are a to m letters and n to z letters, which help children achieve their goal easily.

★ Pictures are provided for letter recognition.

Nursery Buddies

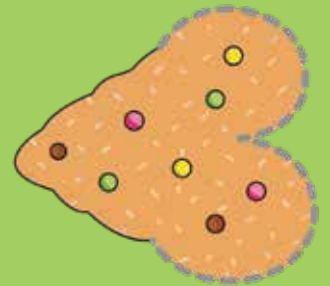

MATHS

Allows children to recognise and practise counting numbers as well as learning basic mathematics.

★ Clear numbers with tracing lines

★ Dotted number in the shape of the item helps children recognise and write the number effectively.

Nursery Buddies

SCIENCE

Helps children to learn scientific concepts that are essential for children's daily life, plus information about themselves and things around them.

★ Photos of real-life items are exclusively presented for better understanding of the concepts learnt.
