

PHONICS Planet

A Phonics Programme for Students

Phonics develops children's skills in decoding words through sounding letters and letter combinations.

Phonics helps children hear, identify and use different sounds that distinguish one word from another in the English language.

The contents of the six readers, read by a native speaker, are presented in the form of animations. Just scan the QR code on the cover of each reader.

Varied activities in the activity and enrichment books enable children to develop and strengthen reading and writing skills.

Phonics Planet series consists of six readers, six activity books and two sticker enrichment books.

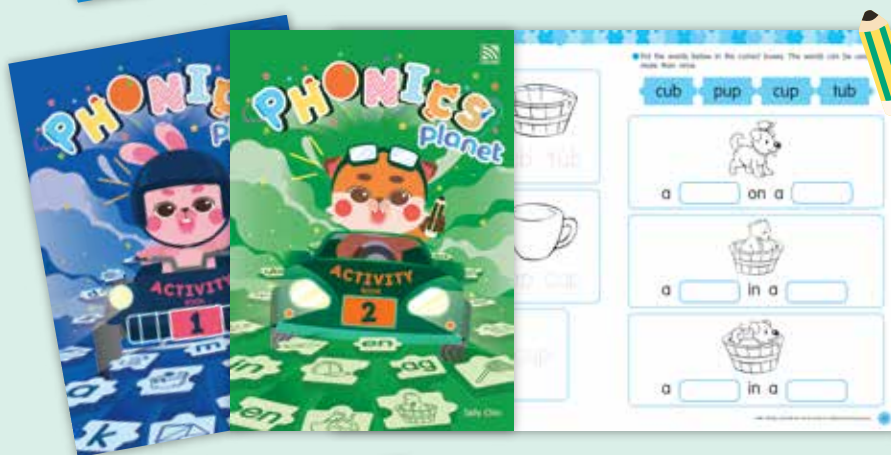

Readers 1 & 2

- 2 readers and 2 activity books
- 1 sticker enrichment book

Learning the sounds of the 26 letters of the alphabet and the sounds of the words ending with letter combinations

Readers 3 & 4

- 2 readers and 2 activity books
- 1 sticker enrichment book

Special Features

- Phonics enrichment books provide stickers relevant to the contents for more comprehension.

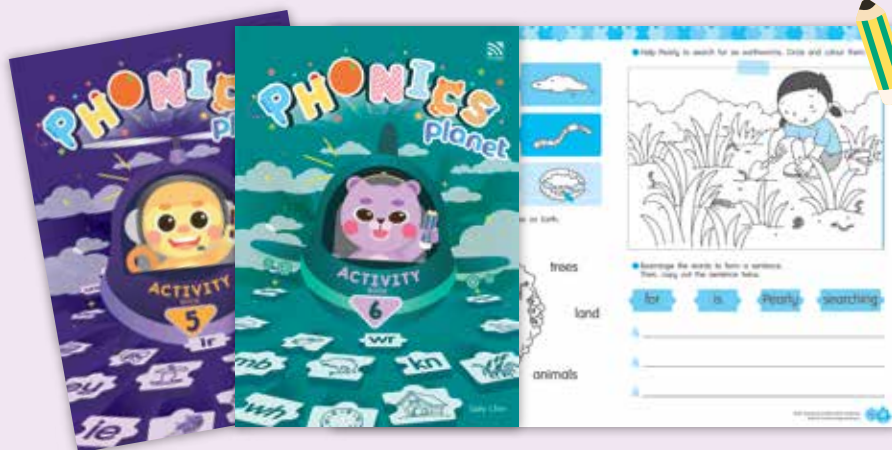

Learning the sounds of the letter combinations, for example words with initial and final consonant blends, words with digraphs, words with final double consonants, words with long vowel sounds, words with diphthongs, etc.

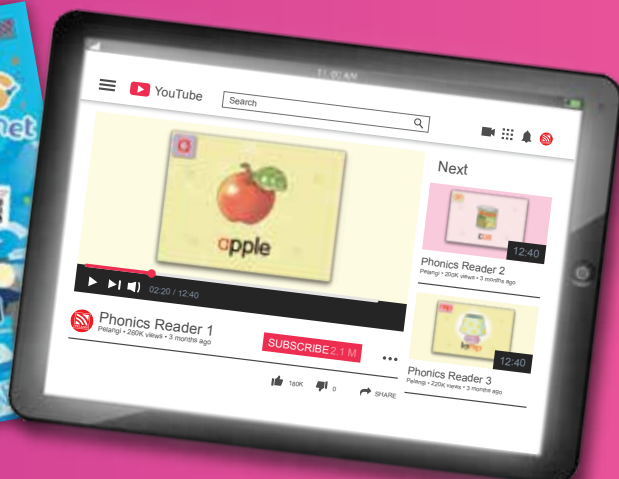

Readers 5 & 6

• 2 readers and 2 activity books

Learning the different sounds of the letters **c** and **g**, the sounds of **y** at the end of disyllabic words and at the end of three-letter words, the sounds of the words with the letter combinations and the sounds of the words ending with **er**, **el** and **le**

Scan the QR code on the cover of each reader to watch the animations for learning the sounds of letters and letter combinations.
