Learning Program

Nursery Buddies

English

Learning the alphabet is made fun and easy with Nursery Buddies! This series use big & colourful illustrations to help young children learn & write the small letters of the alphabet.

- Stimulate interest in learning
- Strengthen fine motor skills
- Build 21st century skills
- Build language skills
- Develop Higher Order Thinking Skills (HOTS)

Tiny Paw

Through this series, children will learn important concepts and develop essential early skills.

i-LEAP Nursery

Learning through the 5E's and Play

i-LEAP is a systematic programme specially designed to guide preschool children in learning English, Maths and Science subjects. This programme is developed in consultation with educational experts from University Technology Malaysia (UTM).

Teacher Guide & Digital Teaching Resources available

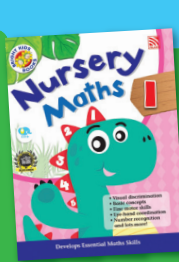

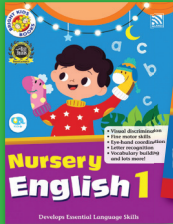

First Phonics

- Provides a fast and structured way in building children's foundation in reading
- Designed with interesting activities that help children to revise and strengthen their ability to pronounce new words

Bright Kids Nursery

Gives children a head start in learning and developing early language and cognitive skills.

Bright Kids Kindergarten

A great resource in helping children develop and strengthen important essential language and cognitive skills in preparation for formal schooling. The books are packed with interesting activities that are carefully prepared based on sound educational practice and which follow the requirements of the preschool curriculum.

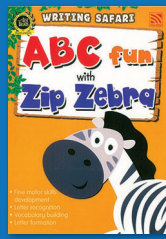

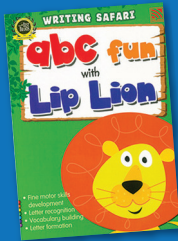

Bright Kids Pre-Primary

Additional reinforcement to help children enter Primary One with confidence!

Writing Safari / Funland

Children will enjoy learning important concepts and writing skills with these books.

- Fine motor skill development
- Number/ Letter recognition & formation
- Vocabulary building

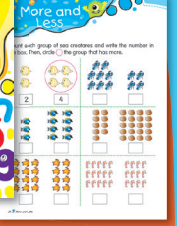

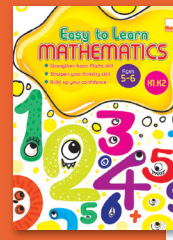

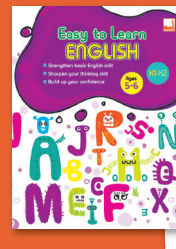

Focus Kids

Focus Kids has been developed to make the learning of essential English language skills enjoyable. With interesting activities and attractive illustrations, these full-colour books help build a strong foundation for future learning.

- Letters of the alphabet
- Conversational structures
- Useful phrases
- Vocabulary building
- Phonics
- And many more!

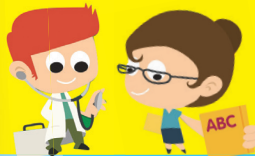

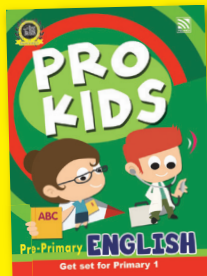

Easy to Learn

Easy to Learn is a set of two workbooks designed for preschoolers which focuses on skill development in the critical areas of reading, writing and mathematics. All learning begins with the basics, and learning should be easy and fun.

Pro Kids Pre-Primary English

- Develops basic language skills such as reading, writing and speaking
- Exposes children to basic language structures such as useful phrases and sentences
- Colourful, eye-catching illustrations
- Includes grammar items that are essential for good English
- Includes activities that use common everyday conventional structures
- Contents are based on topics familiar to children
- Fun activities that expand vocabulary
